Programs/Services

OUTPATIENT PROGRAMS:

ADULT

Counseling is available to people over the age of 18, including individual, family, and/or group counseling, as well as family support and psychiatric services.

CHILD AND ADOLESCENT (C&A)

Individual, family, group counseling focused on children and adolescents who are experiencing problems with school, family, and peers. Case management services may also be provided. Referrals are accepted from schools, law enforcement agencies, courts, DCFS, parents, and other providers.

PSYCHOSOCIAL REHABILITATION (PSR)

PSR provides a structured, goal-oriented atmosphere for persons with mental illness where psychiatric rehabilitation, trans/vocational programming, peer support, and community resource services are provided. A drop-in-center is also offered.

COMMUNITY SUPPORT

Services are outreach oriented and tailored to individual needs. Services focus on helping individuals gain needed skills. Community Support along with more traditional case management services is intended to help individual's access and coordinate resources that move them toward recovery.

COMMUNITY SUPPORT RESIDENTIAL

This program provides 24 hour supervised living for individuals who are in need of a structured environment. Residents receive training in all areas of life skills and individualized intensive support and counseling in order to assist the individual in transitioning to a more independent living setting.
